trypraying

The primary purpose of the "Try Praying" campaign is to invite non-religious and unconnected individuals to experience God through a simple 7-day prayer guide, with the ultimate goal of leading them into a personal relationship with Jesus Christ. This is achieved by a "use it and lose it" strategy where churches encourage their members to use the booklet and then give it away to friends, family, or acquaintances to encourage them to try praying for a week and see what happens.

These little books are available at both
Otaki and Waikanae Churches
A Koha would be much appreciated, to cover costs.
