8-week Yoga Therapy course for people living with arthritis.

If this sounds like something you (or someone you know) might benefit from, I'd love to hear from you.

The course will:

- Run for 8 weeks (April–May, starting after Easter)
 - Every Tuesday 5.15pm for 60min
- Include small group sessions (6–10 participants)
 - Be offered at a student rate

During March, I'll meet with each participant individually for a one-on-one intake assessment so I can understand your needs, joint concerns, and goals before we begin.

This course is suitable for all levels and different forms of arthritis. It will focus on safe movement, strength, mobility, and practical tools you can use at home to support your joints long-term.

If you're interested or would like more details, please send me a message. I'm currently looking for 6–10 participants to join the course.

If you are interest please contact Anja on [027 516 7075](tel:0275167075) or check the website [Waikanae Yoga & Wellbeing](#)

What Is Yoga Therapy?

Yoga Therapy is an evidence-informed, personalised approach to yoga that adapts movement, breathwork, and relaxation practices to support specific health conditions. Rather than a general yoga class, it focuses on individual needs, symptoms, and functional goals — helping participants improve mobility, reduce pain, and build confidence in their bodies safely.
